

Being Prepared To Strike Will Ensure That We Win The Contract That We Deserve

Registries will need the following documents:

Get current documentation from employee health for:

Record of exposure or vaccination for rubella, roseola, and varicella

- **Proof of negative TB test or chest x-ray (most require within 6 mos) There is time involved in getting read back from test, be sure you get this in order right now. If you do not have a current test public health agencies will do them for less than \$10.00. Do not wait. Get this done now!**
- **Proof of titer for mumps (only some require this)**
- **Physical or letter of good health from physician within the year**
- **Social security card and driver's license or passport or valid green card**
- **Nursing license**
- **Current BLS card**
- **Some hospitals require current ACLS card for critical care units/PACU/OR**
- **PALS or NRP for specialty units**

Call in now to get your paperwork processed. Some local registries are:

Agostini & Associates, Inc.

(Monday – Friday 9:00 – 5:00)

(800) 823-0570

Visit www.nursesonthego.com to apply on line 7/24. Agostini will send you to their own occupational health center for a TB test if you do not have a current one.

Access Nurses

(866) 687-7390

Online registration is www.accessnurses.com
