

**CALIFORNIA NURSES ASSOCIATION
REGION 11 SCHOLARSHIP PROGRAM**

Applications must be postmarked by August 1, 2009

The Region 11 Scholarship was established in 1927 by members of the Alameda County Nurses Association (currently Region 11) to fund Region 11 members enrolled in formal educational courses, attending educational conferences, or planning to travel or conduct research on nursing issues.

The Scholarship Committee is composed of Region 11 volunteers. The Committee meets yearly to consider all applications turned in by August 1, and distributes the awards in the fall. Consideration is given to facility activism, length of service as a direct care nurse, and the quality of the essay.

The applicant must be a C.N.A. member in good standing (paid dues). The applicant must also be a Region 11 (either works in Alameda County as a bargaining unit member, or lives in Alameda County as an Associate member).

Scholarships are currently available for the 2009-2010 school years (fall of 2009 through summer of 2010) and for nursing conferences, research, or travel occurring between January 2009 through June 2010. *Applications must be postmarked by August 1, 2009.*

Distribution of individual awards will be held pending

- Verification of registration for formal classes
- Verification of completion of conferences
- Copies of receipts for expenses incurred attending nursing conferences or engaging in professional travel

Only completed applications postmarked on or prior to *August 1, 2009* will be accepted. Late or faxed applications will not be considered.

Mail the complete forms, along with documentation such as verification of enrollment and expense receipts to:
